

## Minkwood International Co., Ltd.

### Great originality & leading fashion

**M**inkwood International Co., Ltd. was established in 1985 and specializes in the production of evening dress and is targeting the bridal gown market. The company first exported to the Middle East then Europe, America, Japan, and eventually, the rest of the world.

All bridal gowns and evening dresses are hand sewn, with exquisite design, fashionable style, and carefully selected materials such as authentic silk, high quality laces, as well as painstakingly selected synthetic goods from Japan, France, Switzerland, and Taiwan.

Our highly experienced designer team is dedicated to serve the clients for that one beautiful, unique, and seamlessly perfect dress. Bridal Gown and evening dress made by Minkwood are sold worldwide, especially evening gowns which achieved international recognition and status for its design and quality.
