

HP Silicone Label Ltd.

Seize and Create Opportunities
Stylish Innovation

Eco-friendly/High quality/Pending Patents

2022 TITAS DEBUT *Coming soon!*

Our expertise is in the manufacturing of silicone thermal transfer label.

SiLabel is our trade name. In the foreseeable future, HP Silicone Label Ltd will become one of the leaders in the heat transfer industry.

SiLabel

Eco-friendly: not only are products eco-friendly but also the manufacturing processes are eco-friendly.

High qualities:

1. Highest washing performance.
2. Edge-to-edge migration test (Nike & adidas methods passed!)
3. Halo free
4. Good hand-feel

Two patented invention:

- (1) SiLabel QRcode with an anti-counterfeiting function.

- (2) Multicolor highly reflective label, stylish & innovative.

We welcome you to visit our booth and our website at: www.silabel.com and www.silabel.com.tw
